

CPD ACTIVITIES RECOGNISED BY ANOTHER STATUTORY HEALTH COUNCIL

(5.7 of the Guidelines)

Cross Recognition of CEUs. If a CPD activity has been approved for a specific profession by a specific CPD Committee or approved by another statutory health council, all AHPCSA practitioners may attend that activity for CPD purposes **if it is relevant to their specific** Scope of Practice. Practitioners will, therefore, not need to apply for the activity to be reaccredited by their own CPD Committee or by the Registrar in order to claim the CEUs accrued for attending that activity. Only in the event that a practitioner is uncertain as to whether such activity falls into the relevant scope of practice is he/she required to present information regarding that activity prior to it taking place for confirmation that it falls within the scope of practice of that practitioner which confirmation will be given by the Registrar. In addition to the relevant CPD certificate issued by the Service Provider, the practitioner is required to present the following information: **name of statutory health council approving the CPD activity; statutory health council CPD registration reference; and nature and duration of the CPD activity.** CEU allocation will be as per the AHPCSA Guidelines.

Note: Any course specific to any allied health profession may NOT be approved by any other statutory health council, or any other body delegated by another statutory health council. You are required to take care to ascertain that courses specific to allied health professions have been approved by the AHPCSA.

CEU allocation will be as per the AHPCSA Guidelines.
